## FAQ'S

---

Do you have a preferred vendor list and can I hire vendors outside of that list?

**We provide a recommended vendor list featuring trusted professionals that we love working with. However, you're welcome to hire outside vendors with no additional fees for doing so. We simply require they are licensed and insured. We require you hire a security guard if your guest count exceeds 100. We also require a minimum spend of \$2,000 (separate from the venue rental fee) within our in-house Floral + Design Studio, known as Light and Well (See "Design Upgrades" PDF for more information).**

Do you require vendor meals?

**Yes, we require all staff and vendors working during the reception are provided a vendor meal.**

What is the venue capacity?

**Our venue capacity is 150 guests.**

Do you allow live candle flames?

**No, we only allow LED candles. We offer various LED candles for rent at an additional cost.**

Is there on-site parking available?

**Yes, we have free parking on-site for your guests.**

Is this an indoor or outdoor venue?

**The Hillside Estate is a fully outdoor venue. We offer two indoor getting ready suites.**

What's the rain plan?

**We have an optional reception tent on-site. It is available to use at no additional cost.**

How early can I and my vendors access the venue?

**The getting-ready suites open at 9 a.m. on the wedding day. Vendors may also begin setup at that time.**

What time does my DJ and/or Band need to end?

**We require all events must end by 10:30pm.**
